Filed : October 4, 1999
Title : PROCESS FOR PRODUCING A PURIFIED LACTIC ACID SOLUTION

Art Unit : 1651
Examiner : Francisco Chandler Prats

MAIL STOP PETITIONS

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

PETITION TO REVIVE APPLICATION UNDER 37 CFR §1.137(b)

Applicants hereby petition under 37 CFR §1.137(b) to revive the above application, which was abandoned on 8 April 2002 for failure to respond to a Final Rejection mailed 7 January 2002.

Enclosed is 1) a check for \$1370.00 in payment of the petition fee by a large entity as set forth in 37 CFR §1.17(m), 2) a petition for a two-month extension of time, and 3) a check for \$430.00 for the two-month extension of time fee.

Applicants submit that the entire period of delay was unintentional. A continuation application having application number 10/162,935 was filed 4 June 2002, which was prior to the 6 month expiration following the final office action. However, a petition for extension of time was inadvertently never filed for the 09/412,095 case.

Please apply any other charges or credits to Deposit Account No. 06-1050.
